

**2P Thermo Shield**

# A Revolution

The amazing properties of this unique material are astounding

It's perfect for so many sports. It has taken us years to develop this unique material and we are simply stunned with the result. The amazing, unique properties surpassed our expectations and it will surpass your expectations too.

As outer wear or as a thermal underlayer of insulation, the innovative, Super Stretch 2P Thermal Rash range is perfect for any activity, wet or dry, where ever you need protection, without restriction.

The unique combination of Polyester & Spandex provides great insulation wet or dry. And with its 170% + 4 way Superstretch it not only feels extremely comfortable it allows you to perform with it acting just like a second skin.

- Turtle neck
- Extra body length
- Rapid drying
- Doesn't hold water
- UV 50+ sun protection
- 170% 4 way stretch comfort
- No rash Flatlock stitching
- Hi-tech knitted micro-fibre
- Protection without restriction
- Fleece for comfort
- Acts like second skin
- Highly effective against wind chill

Repels the water, so no wind chill

NEW

## EVO Thermo Skin

Breathable quick dry WRF\* SuperFlex thermal fleece (thicker material than the 2P Thermo Shield); UPF50+ rated protection against UVB (burning) and UVA (aging) rays. Active panels with flat locked seams for superior comfort and performance. Extremely versatile can be worn as a base, mid or outer layer. \*WR Water Repellent Finish.

Ideal for rowing, canoeing, cycling, sailing, running, skiing, gym & cross training. Easy care – hand wash natural soap – line or tumble dry (warm) – fabric dries quickly.

FABRIC : Super Flex Fleece      FEATURES : Water Repellent Finish; UPF 50+      COLOUR : Black      SIZES : XS to XXL      PRICE : \$ 65 top & \$ 65 pant + postage.

AVAILABLE FOR PURCHASE/PICK UP AT REGATTAS.      DELIVERY: ADD Parcel Post Satchel - \$ 7.00 top or pant; \$ 12.00 set of top & pant.
